

Dinner Dance & Silent Auction 2009

AUCTION OR DOOR PRIZE DONATION

Deadline: October 13, 2009

One of the most exciting parts of our Dinner Dance is the Silent Auction. Last year, we had a wide array of lots for attendees to bid on including weekend getaways, tickets to sporting events, religious items, electronics and more! We were fortunate that every lot was donated, meaning the final bid amounts represented 100% revenue for our mission. Each lot had a minimum retail value of \$50 and generated top bids up to \$700!

Attendees love the door prizes as well. Like the Silent Auction lots, all door prizes were 100% donated. We were able to generate revenue by selling additional door prize tickets. So even though we gave the door prizes away, they still helped us raise money. Door prizes included \$25 restaurant and retail gift certificates, apparel, personal care and hardware items and more. Items had a retail value in the \$10 to \$25 range.
